High Hopes Scramble and Mel Stottlemyre A Hit

By Eric Carlson

A BIG thank you to all who attended our 2010 High Hopes golf event at Apple Tree Resort this past June. A special Thank You to Mel Stottlemyre for returning and acting as our 2010 honorary chairman. Nice job, Mel – you performed your duties in a Hall of Fame manner without our going to the pen! We had a great time catching up with old friends, such as Pete Rademacher, in perfect clear-blue-sky Yakima weather, enjoying one of our most financially successful golf events to date. We almost filled the tournament again — a true testament to you — our loyal Parker Youth and Sports Foundation supporters! **THANK YOU ALL!!!**

Our date is set for next year's High Hopes event at Apple Tree Resort, so reserve June 11, 2011, or 6-11-11 on your calendars. If any of you want to reserve your foursome early or have any good golf ideas to pass along to the Parker High Hopes golf committee, please contact me at 509-728-1703. Special recognition for this year's tournament goes out to our *Gold Sponsors*, Daryl and Sherrie Parker, Stan Renecker and Richard A. Smith; our *Silver Sponsors*, McDonald's Restaurants of Yakima, United Builders of Washington, Inc., and Velikanje Halverson P.C.; and our *Bronze Sponsors*, Earl E. Brown & Sons, Inc./ Blue Mountain Cidery of Oregon, Engravings Unlimited, Scott and Elizabeth Hatteberg, Virginia Hays, Mary Herche, Jeff Ward (Ike '68 and partner at Gilbert-Harrell-Sumerford & Martin in Brunswick, Georgia), and the Yakima Monday Morning Quarterbacks Club.

What about the scores? The low score was carded by our Daryl Parker-sponsored youth team of Eric Gravbrot, Kameron Lamb, Matt Mickelson and Matt Crockett with a 52! As to our other tournament winners, they are listed below.

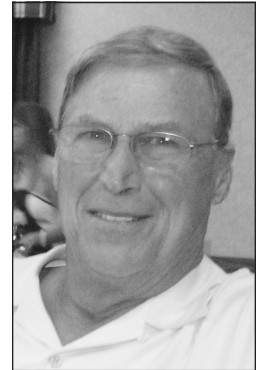

- Our day-long annual Hazel Leland Memorial putting contest was won by ex-Parker board president Steve Dale and Bob DiPietro Jr.
- Closest to the pin contest winners are Tim Height (Hole 2), Jeff Louman (6), Jack Shaw (13) and Larry Gargett (17).
- Straight drive was won by Eddie Espinoza.
- Women's long drive winner: Joy Attaway.
- Longest putt of the day was made by Rocky Jackson.

Congrats again to all our winners!

This year, we sponsored boys and girls high school golfers from East Valley, West Valley, Eisenhower, Davis and Selah scattered throughout the field. Thanks to all those who sponsored a youth golfer this year! Another huge Thank You to all of our individual hole

From left to right: Matt Crockett, Matt Michelseon, Mel Stottlemyre, Kameron Lamb, Eric Gravbrot.

and tee sponsors along with our golf program advertisers! (See page 8 for those giving their time.)

We hope and pray that each of you has had a chance this summer to recharge and spend quality time with your family. Thanks again for your support, and we'll see you next year!

Letter from the President

On June 11, 2010, the Parker Foundation held its fifth annual Legends Reunion event. Chuck Brayton, Bob Garretson Jr., and Mel Stottlemyre were our guest speakers, and Mel was the honorary golf tournament chairman the following day for our major fundraiser of the year.

The Legends Reunion is always scheduled the evening before the tournament and offers all Foundation members and supporters an opportunity to gather, socialize and absorb anecdotes, data, information, and personal notes about Yakima Valley's rich and significant athletic history. I mention this here as a reminder that the Legends Reunion is an unusual, special and entertaining event held annually to emphasize our community's great athletic heritage – well worth attending when you can.

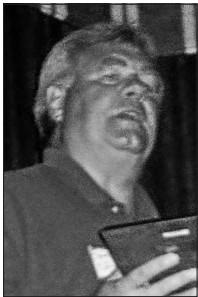

It is also a time to thank key Foundation supporters, namely the Foundation Contributor of the Year and the Parker Partner of the Year. This year the Foundation board recognized Greg and Jan Luring, owners of McDonald's of Yakima, as Parker Foundation Contributors of the Year and George "Spud" Edmondson as Parker Partner of the Year.

Contributors of the Year: For many, many years Greg and Jan Luring have shared their personal resources in support of innumerable youth, community and civic activities, events and programs. Their support of the Parker Foundation is a great example of their generosity. For the first five years of Foundation operation they have been key sponsors of the golf tournament, helping the Foundation raise money in support of youth sports and activities, development of athletic and recreational facilities, and YVCC athletic programs. At the Legends Reunion the Foundation board acknowledged not only their sponsorship of the Foundation, but also highlighted their long and remarkable record of civic support in Yakima.

Jan and Greg Luring

Parker Partner of the Year: For five years running Spud Edmondson has worked hard on making the golf tournament one of the best, high-quality, annual social and fundraising events in Yakima. He has helped make it a personal experience for all participants, focusing on and emphasizing the significance of maintaining long-time personal connections within the athletic community. Those who are able to participate in the Foundation's annual fundraising and social events invariably remark about how special the golf tournament weekend is. Fundraiser, yes; but so much more than that. We all have Spud Edmondson to thank for this personal aspect of our fundraising weekend.

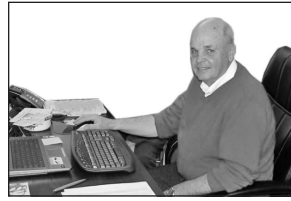

Spud Edmondson

The Legends Reunion – the golf tournament – a great weekend experience. The board thanks all who participate in and support the Parker Youth and Sports Foundation. The Foundation is a community in and of itself as much as it is a service organization... thanks to all who share in the Foundation mission and the Yakima Valley athletic heritage.

Bob Alexander,
Foundation President

From the Office

By Jerry Ward

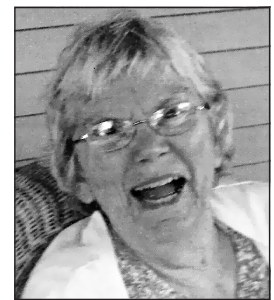

The PY&SF is barely six years old, but during that time we have learned one thing for sure; spring around the Foundation office is a bundle of energy, ranging from the High Hopes Golf Committee meeting on a weekly basis, making contacts with sponsors and teams... to the increased numbers of 'old' friends and Foundation supporters making sure their reservations are in place for the Legends Reunion which is held annually the night before the golf tournament. Kudos are aplenty, but just a big round of applause to the golf committee heavyweights, Eric Carlson, Virginia Hays, and Spud Edmondson. This year the Legends Reunion was spearheaded by Nancy Leahy and we had the best turn out in several years, thanks to her tireless work to make the evening such a success.

Quick question: Name the only sport in which the ball is always in possession of the team on defense, and the offensive team can score without touching the ball? And with that question in mind we express our appreciation to Mel Stottlemyre for being the Honorary Golf Chairman this year. Bobo Brayton, Bob Garretson and Dave Edler joined the Thursday Rotary luncheon program to cover baseball at Parker Field. Bobo and Bob joined Mel during for the Sports Legend Event Friday evening. Mel joined the golfers Saturday morning and was as gracious as ever. Assume you now know the answer to the question since these three guys played the game longer than most of us can remember.

And more golf. Each year, Central Washington University sends a team to our High Hopes Tournament, and in return, the PY&SF sends a team to their Jon Kitna Tournament at Suncadia. This year, Foundation Board members Eric Carlson, Sam Karr, and Jerry Ward were joined by Parker Partner, Bob McCutcheon for a fun day on the links... and as good luck would have it, our team was playing directly behind the Kitna foursome. It was enjoyable to chat with Jon and wish him well this coming season with the Dallas Cowboys.

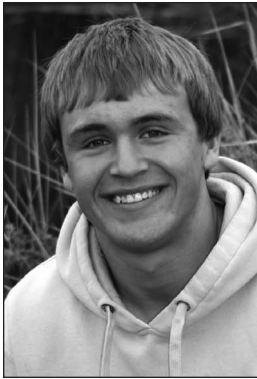

CONDOLENCES: The fun and excitement with the Foundation this past spring and summer has certainly been tempered with the passing of a very dear friend. Nancy Faller, wife of charter Board member, Bill Faller, passed away on July 17. The office has attempted to contact as many of our Foundation members as possible that know the Faller family, and if you are reading this for the first time via the High Hopes newsletter, do not hesitate to contact us for further information. The Faller family constructed one of the more insightful obituaries we have ever

Nancy Faller

read. They truly captured the essence of Nancy's life and the person she was, and we would be happy to share this with you. Nancy will be missed by all that knew her, and especially by this writer.

Kyle Cairns Named Joe Donahue Scholarship Recipient

Raised in Goldendale, Kyle was a member of the 2009 graduating Timberwolves class. He participated in football (senior captain), soccer (co-captain three years) and tennis. Kyle said that “although soccer by far is my best sport, football has to be my favorite.”

In the teacher recommendation letters, Kyle was described as a leader, serving as class treasurer and vice president of the Purple and Gold Club. He earned First Team All-Conference honor as a running back his senior year as well as Second Team as a punter and Honorable Mention as a kicker. He earned First Team All-League honor as a defender as a junior.

Volunteering has kept Kyle busy. He has been a coach for a youth soccer league (AYSO) and has worked at a football training camp for kids.

A sophomore this fall at Yakima Valley Community College, Kyle would like to continue his education working toward a degree in education. Focusing on a major in history, he would like to teach in a low-income town and coach football or soccer.

Kyle was on the Dean’s List last fall and the President’s List for winter quarter, with a 3.69 cumulative grade point average.

Faller/Brayton Scholarship

Long Line of YVCC Baseball tradition: Coach Bobo Brayton, Coach Bill Faller, first Brayton/Faller Endowment Fund recipient Tyler Berman, current YVCC Head Coach Ken Wilson

Middle infielder Tyler Berman was selected as the first recipient of the Faller/Brayton Scholarship supported by the Brayton/Faller Endowment Fund.

Tyler is a 2009 graduate of Eisenhower High School. He led the 2010 YVCC Yaks with 17 RBI and 444 OBP while batting .350. Tyler was described by Coach Wilson as a team leader and hard worker whose ability to advance a runner to help the team proved invaluable in the team’s second-place finish this spring.

Historical Section

As reported in our last newsletter, Hazel Leland passed away in February. We were able to attend two memorial functions for Hazel and were pleased to visit with Mary Sherar John and her husband, Hop, during the gathering at

the Yakima Elks Club. Mary's father, Glenn Sherar was the longtime YVC athletic director and tennis and basketball coach who retired from the college in 1972, having served at the college since 1933. Mary brought a picture of Glenn's physical education and athletic staff that was presented to him on the occasion of his retirement; this has stirred the memories of all those we have shared it with. We hope you enjoy this quick stroll down YVC physical education and sports memory lane.

Standing, left to right: Bill Downs, the affable equipment manager who passed away in the late 1970s; Bill Faller, baseball coach at the time who succeeded Glenn as athletic director; Ellwood Crosier, men's and women's basketball

coach at the college spanning four decades from the '60s to the '90s; Hazel Leland with a shuttlecock in her ear; Les Vierra, former YVC head football coach who left the college about 1977 and went on to be a community college president at two institutions and lives in California, where he's a higher education consultant; Bob Everson, head football coach at the college who joined the U. of Washington football staff in 1973 and eventually went to Spokane Community College as its coach; Bob passed away about 1989. Ken Edwards, longtime track and cross country coach and athletic trainer who still lives and plays golf in the Valley. Sitting in the chairs: Jane Black, department secretary who retired in 1986 and still lives in Yakima; Leslie Thompson, the college nurse at the time and one we have lost track of. On the floor: Yours truly, Jerry Ward as a 29-year-old p.e. instructor having fun running the intramural program at the college; Barbara McKenna, longtime p.e. and health education instructor who just passed away in 2008; Wayne Purdom, p.e. instructor and assistant football coach in 1972 who went on to be the college's head football coach from 1974 until 1988. Wayne and his wife, Biz, passed away in 2009.

The stories are many and the memories even greater for this fun and professional physical education and athletic staff at YVC during this period from the late 1960s through the '70s when there were as many as nine full-time instructors in the department under the capable leadership of Glenn Sherar. One can only imagine the number of students this group taught during their combined years at YVC. What we have lost during this period of removing physical education from the college curriculum has more than been made up in the extra pounds that are being carried around by the majority of obese Americans ... sorry for the political comment. If your shorts fit, I apologize, but if a little snug....well, start walking, watch your diet, go to bed early, and go smell the roses!

Logo changed in 1995.

Three Hit Weekend

First Hit – Home Plate Heroes

Sports Legend Event chair Nancy Leahy and Downtown Rotary Club of Yakima member created the June 10th weekly meeting program featuring Home Plate Heroes: 60 Years of Yakima Baseball. The program featured a PowerPoint montage of Parker Field and early teams playing ball in Yakima. Coaches Chuck “Bobo” Brayton, Bob Garretson, Jr., and Dave Edler. The three covered 60 years of experience at Parker Field on Yakima Valley Community College’s campus.

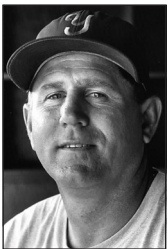

Nancy Leahy introducing Home Plate Heroes.

Coach Chuck Brayton led the YVC Indians from 1950-1961 capturing several state titles. The 1952 YJC team recorded a 23-4 season is just one example of the success YJC experienced under coach Brayton. Bobo moved on to coach Washington State University from 1961-1994 where his teams won more games than any other Division I team. He is a member of the College Baseball Hall of Fame and Coaches Hall of Fame - a man with a memory of memorable experiences. Bobo remains a Cougar residing in Pullman.

Coach Bob Garretson, Jr., led YVCC to 8 State Championships and ended his Indian years with a .609 winning percentage. Bob was instrumental with the American Legion Beetles who played at Parker Field. He led the Beetles when they captured the 1975 & 1979 World Series Champions and finished 3rd in 1988. Bob continues to be a part of the Yakima Valley and supports youth baseball events.

Eisenhower High School and Yakima Beetle baseball standout, Dave Edler was the 1975 American Legion Player of the Year. At WSU he earned All American in 1977. Dave coached the Beetle after a career with the Seattle Mariners from 1980-83. Dave spoke about his teammates and the importance of family as inspiration throughout his life. Dave continues to serve Yakima as a City Councilman and pastor at a local church.

For more photos and history of Parker Field, check out the Home Plate Heroes on the Foundation website (parkeryouthandsportsfoundation.org).

Second Hit – Sports Legends Reunion

The June 11 sports legends event committee, under the leadership of Nancy Leahy, scored a hit with those in attendance. The event highlights are described below.

The weekend’s Honorary Chairman Mel Stottlemyre wowed the audience with stories of baseball and people. Enjoying the evening and holding innumerable conversations with new and old acquaintances, Mel was eloquent with his remarks as the featured speaker. Thank you, Mel and Jean, for gracing us with your presence.

Past Honorary Chairman Bobo Brayton shared snippets for the fourth year of the event’s five-year history. Thank you, Bobo and Eileen, for your continuing support.

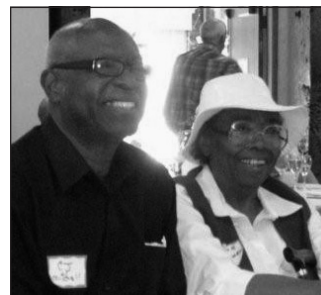

Special presentations:

- The inaugural Brayton/Faller Endowment Scholarship to YVCC middle infielder Tyler Berman. (See story on page 3.)
- Contributor of the Year Award to Greg and Jan Luring. (See story on page 2.)
- Parker Partner of the Year Award to Spud Edmondson. (See story on page 2.)

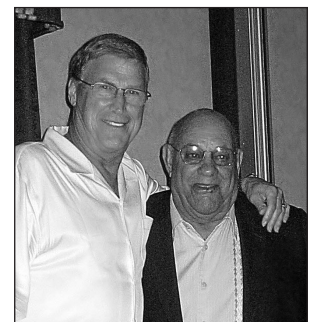

Introduction of a raffle featuring a Yakima Gold-Dining Package that was won by Manny Perez, YVC baseball, who promptly donated the nine-restaurant package back to the Foundation to be auctioned at a later date. (See story on page 11.)

Silent auction featuring items donated by local merchants and Parker Partners. Thanks to Tom Garrison, auction organizer for the past four years.

New feature in which seven people were table sponsors. Thank you to Dick Smith, Ken Wilson and YVCC baseball, Mary and Tom Herche, Bill and Nancy Faller, Manny Perez, Stan Renecker and Liggett Taylor. Mr. Taylor hosted members of the 1953 Junior Legion national championship baseball team.

C.J. Mitchell, Tri-Cities Baseball Umpire Hall of Fame, and friend.

Mel Stottlemyre, 2010 High Hopes Chairman and Bobo Brayton, 2008 High Hopes Chairman, connected through YVCC baseball.

Third Hit – High Hopes Scramble

The fifth annual High Hopes Scramble was a fun-filled day with mild temperatures, slight breeze and lots of friends. Highlights of the event are provided next followed by flight results and some photo essays.

- Five teams were composed of area high school golfers
- Daryl and Sherrie Parker sponsored two Parker Pippins teams;
- A & A Motorcoach sponsored a team from Davis High School;
- Earl Brown & Sons, Inc. of Milton-Freewater, Oregon, sponsored a team from Eisenhower High School; and
- Parker Youth and Sports Foundation sponsored a team fielded from Selah, East Valley and Highland.

The tournament featured four flights instead of the usual three as in past tournaments. Results posted on the website.

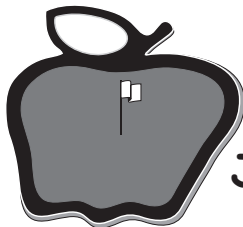

Corporate sponsors were very generous in their support during this trying economic time. The tournament was supported by:

- three gold sponsors;
- two silver sponsors; and
- seven bronze sponsors.

Sponsors of hole signs and golf program advertisement reached an all-time high since the tournament first teed up in 2006.

John Crimin, left, holding the 1950 Olympic Boxing Gold Medal that Pete Rademacher won and is willing to share with others. They were members of the Olympian Team in the 2010 High Hopes Scramble.

THE STORY OF YAKIMA'S GOLD-STAR DINING PACKAGE

We had a winner for the Gold-Star Dining Package at the Parker Legends Night event on June 11! The winner wants to see a bigger WIN for Parker Youth & Sports Foundation so he gave the terrific restaurant package back to the foundation to auction it through the newsletter. He hopes that PYSF will double the proceeds that go to the youth and sports projects this year!

*Thank you to each of these restaurants for their generous gifts of fine dining!
