## Foundation Fundraising Weekend Sets a Financial High

"High Hopes" for a successful event was what the Parker Youth and Sports Foundation fundraising committees were looking for. That does not come close to what actually happened at the Eighth Annual Sports Legends Reunion. Under the quick wit of returning master of ceremonies Dave Ettl and auctioneer R. L. Heavenlo, everyone seemed to enjoy numerous conversations with acquaintances from the past while spending money to assist the future – Yakima area youth.

Thank you to Keith Farnam and Gene Rostvold for serving as the High Hopes Tournament co-chairmen. The memories they shared of their coaching experiences at Eisenhower and Davis high schools were greatly appreciated, along with the quality of guests who represented their coaching careers. Special thank you to Mary Sherar Johns (tennis) and Betty Baker (fast pitch and golf) for being honored guests of the Sports Legends Reunion. Their dedication to their sport(s) paved the way for other girls to have the opportunities they have today.

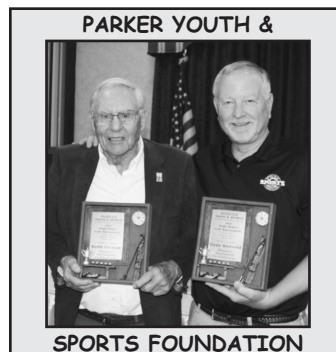

The Sports Legends Reunion featured cellist Christy Baisinger providing musical selections during the social hour; baseballs provided by foundation Honorary Director Mel Stottlemire autographed by Whitey Ford, Alex Rodriguez, Derek Jeter, and Mariano Rivera, along with a NY Yankees All-Star ball cap; several vacation trips; a five-hour wine tour; Jon Kitna-autographed football; Seahawks and Mariners tickets; and items provided by Richard Smith. The surprise of the evening turned out to be the generosity of those participating in the dessert raffle – a \$1,639 boost, or \$739 over last year's record.

Thank you to table sponsors Sally Allen, Spud and Gay Edmondson, Bill Faller, Tom and Mary Herche, Hop and Mary Sherar friends and family (2), Daryl and Sherrie Parker (3), Stan Renecker, Richard A. Smith (4), Yakima Chamber of Commerce, YVCC Athletics, and Jerry and Lynn Ward. The evening was attended by 150 people.

Recognition and awards were given to several people. Kathi Mercy (photo to left), president of Yakima Theatres Inc., was selected as the foundation's Contributor of the Year. Kathi has supported the event every year. The Faller/Brayton Endowment Coaches Award and Joe Donahue Memorial Scholarships were presented to Yakima Valley Community College students. ## Letter from the President

Hello, Parker Partners and Friends:  
Nothing short of fantastic describes this past year for the PY&SF. The 2012-13 books have been closed as of June 30, and we continue to critique the very successful Legends Reunion and High Hopes Golf Tournament on June 7 and 8. This annual event

gets better and better each year. There are far too many individuals to thank in this short column, but the drivers are Virginia Hays, Eric Carlson, Spud Edmondson, Trudy Bray, and Sam Karr. Mel Stottlemire continues to supply the hot items for the live auction with one autographed baseball surprise after another coming in each year....this year's top prize being from Whitey Ford. Thanks to Dick Smith for his work to build the Legends crowd with his sponsorship of four tables and special invitations to his friends in Yakima. Financial reports within this newsletter will demonstrate that your Parker Youth & Sports Foundation is at a high-water mark in our eight-year history, which translates into being able to increase our assistance to youth programs in the Yakima Valley. We are solvent enough that your board is working with the Yakima Valley Community Foundation to create a permanent PY&SF Endowment Fund. We currently administer the Faller-Brayton Endowment via the YVCF. The endowment has grown from \$29,000 in 2008 to over \$207,000 today. The Faller-Brayton Endowment generated over \$6,000 in earnings this past fiscal year that was distributed back to community sports programs. We urge you to keep the PY&SF in mind as to making endowment donations that will ensure our mission for years to come in Yakima.

A sincere thank you to all who support the PY&SF. As we grow, we are able to serve more youth programs. Just this past year, we not only provided several major grants, but introduced two new programs. We initiated our Holiday Open House in November to announce the Pro-Active gifting process and presented donations to 10 organizations. This past June, the first high school team scholastic awards were started with \$500 donations made to the sports programs at Sunnyside Christian, Ellensburg, and Eisenhower high schools, recognizing their sports and academic achievements.

**INVITATION:** Check Thursday, October 10, on your calendar. This is the date of our PY&SF annual meeting, held at noon in the Larson Building. Just drop us a note or call the office to let us know if you can join us. Don't worry, just because you attend doesn't mean you will be elected to the board! Actually, it works the other way around as I missed that meeting three years ago and found out later I was elected president!! Seriously, we would love to have more of our Parker Partners and friends join us for a meeting October 10, and you just may find there is something there worth participating in!

**Yakima Hot Shots** on August 24-25. This annual three on three basketball tournament on the streets of Yakima has rapidly turned into a signature event for the Valley. Over the past few years, PY&SF has sponsored a court, and this year we will have a team of middle school youngsters participating, appropriately named "Park and Pop." We encourage our members and friends to catch the action.

On a couple of sad notes, we are sorry to convey that board member Carol Finney had a mild stroke this past June, but is gradually getting up and about. She plans to continue serving on the board, but will relinquish her position as chairperson of the grant review committee.

Board member Eric Carlson's mother, Betty, passed away in July. Betty was one of the "good guys" and as avid a sports fan as there could be. She and Eric are well known for their annual hosting of a Super Bowl party, and she was a regular player in the Yakima Monday Morning Quarterbacks football and basketball "picks." On the bright side for our membership, it was a pleasure seeing Carol join Parker Partner Mel Moore as they were inducted into the WIAA Hall of Fame. Congrats to these two "pioneers" in bringing so many WIAA tournaments to the Yakima Valley.

That's all for now. Again, we would enjoy seeing you at the annual meeting on October 10.

Jerry Ward  
President

## PY&SF Creates Scholastic Award

### Sunnyside Christian, Ellensburg, and Eisenhower Honored

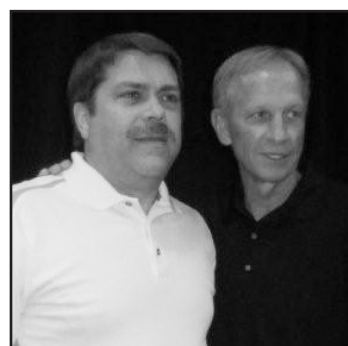

For the first time this past June at the Yakima Valley Sports Awards ceremony the PY&SF presented three valley high schools with scholastic awards in the amount of \$500 each. Mike Carey and Rich Austin of the Yakima Valley Sports Commission collected academic and team sports performance data from the Washington Interscholastic Athletic Association in order for the foundation to create the scholastic award. The WIAA awards points to all schools participating in its sanctioned activities for team performance as well as scholastic achievement. Sportsmanship is also a factor in the schools' earning points.

PY&SF created three classifications for the scholastic award, deciding to recognize schools in the 1B/2B, 1A/2A, and 3A/4A categories. Winners this first year of the award are Sunnyside Christian in the 1B/2B, Ellensburg in the 1A/2A, and Eisenhower in the 3A/4A.

*Spud Edmondson presented Eisenhower track and cross country coach Phil English the 3A/4A Scholastic Athletic Award.*

*Spud Edmondson presented Ellensburg swim coach Debbie Nethery the 1A/2A Scholastic Athletic Award.*

*Eric Carlson presented Sunnyside Christian basketball coach and athletic director Dean Schmeck the 1B/2B Scholastic Athletic Award.*

### Parker Partner Family Story Coming in Fall/Winter Edition of High Hopes

We will be in the heart of the college football season when the next edition of High Hopes is published. We have been working on a family story with deep and solid roots in one of the great college football programs in the country. As a teaser to get you warmed up for this coming football season, here is some football trivia to consider:

Three of the coaches at Notre Dame with national championship teams to their credit were Knute Rockne, Ara Parseghian, and Lou Holtz. What do these three coaches have in common as it relates to our Parker Partners family? (Answer on page 10)

### High Hopes Tournament Thank You

The golf committee thanks all of those who supported the Parker High Hopes golf scramble this past June at the Apple Tree Resort. It was another great financial success, resulting in grant money for youth activities and public parks. High Hopes has a unique mix of serious players, average players and a youth division supported by those who don't even play golf. It is our long-term plan to move the youth division to Friday and host a full adult field on Saturday.

But, we need your help. Please begin to ask your golfing friends, this summer, if they are interested in participating with us next June. We will have our golf brochure available by the end of the fall to assist in spreading the word about our 2014 High Hopes event. We hope this allows many of our current golf participants to assist us in finding new participants.

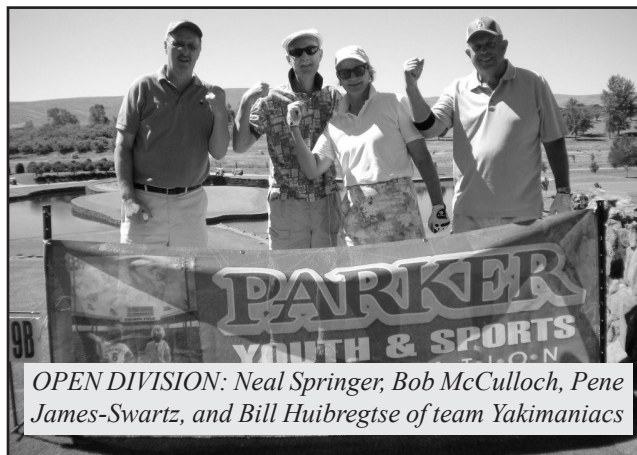

We are open to any ideas concerning format or in any way producing a better product for you the golfer. If you have any ideas contact the office and we will address your suggestions. We are currently considering a format addition and are busy contacting many of you for your response. It is our desire to continue to earn your support and the Putz Golf recognition of two years ago as best non-profit golf event in the Pacific Northwest.

Congratulations to Kevin Anderson, our Apple Tree Resort host, promoted to the position of head golf pro. Thank you all for your continued support and dedication to High Hopes golf.

Eric Carlson  
High Hopes Golf Chairman
