Catch Them If You Can, Both Men Lead a Busy Life

Mel runs in several 5K events during the year, including Bloomsday.

If you enjoy golfing on a premier course, join us for the thirteenth annual fundraising weekend. If you enjoy sharing sport memories with others join us at the Sports Legends Reunion as we gather at the Howard Johnson Plaza Friday evening June 8th. The evening's Honored Guest will be Mel Moore, sports knowledge icon and tireless volunteer when it comes to youth and sports programs. Chasing errant volleyballs or attending athletic contests around the state, Mel has seen it or knows about it.

The event starts at 5:30 PM with a no-host social and an opportunity to check out the silent and live auction items, followed by a buffet dinner at 6:15 PM. The program follows the live auction at 7:00 PM with the introduction and comments by Mel, followed by the presentation of the foundation's awards: Contributor of the Year; Parker Partner of the Year; Joe Donahue Memorial Scholarship Recipient; Faller Brayton Coaches Award; and the Swede Lindquist Memorial Official of the Year Award.

The next morning join Stan and his '74 Indian teammates for fun and sun at Apple Tree Golf Resort, as the 13th Annual High Hopes Tournament will feature Stanley Renecker as the High Hopes Honorary Chairman. Begin the day by taking advantage of an unlimited supply of driving range balls and a continental breakfast that includes a selection of pastries, fruit, coffee, juices, bottled water, Pepsi-Cola and Coca-Cola products. Then off you go for the 8:00 a.m. shotgun start. The tournament format will again be a 4-person scramble. Entry is \$125.00 per person or \$500.00 for your team. For an entry form, contact the office at 509-469-9336.

We look forward to seeing you at both events.

Mel Moore - Service Above Self

Mel Moore, Sports Legends Reunion Honored Guest, doesn't just talk the talk he walks the walk. Mel has been recognized by several organizations locally and statewide for his quiet demeanor of giving service. The Foundation is honored to recognize him.

Mel graduated from Kiona-Benton High School and attended Wenatchee Valley College for two years (1962-64) where he played football for legendary coach Tom Parry and basketball for Frank Mataya. After college, Mel moved to Yakima, where he volunteered over 30 years with the youth baseball program. He has also coached AAU basketball and has been involved with numerous other sporting and community events in the Yakima area.

The 2018 WIAA/Dairy Farmers of Washington/Les Schwab Tires 1A, 2A State Baseball Championships marks the **26th** consecutive year Mel will be the Tournament Manager. Due to his excellence as Tournament Manager, Mel has effectively managed the State Tournament at Yakima County Stadium, which is the longest tenured baseball championship site. However, Mel's love for high school athletics stretches beyond the diamond. After managing the State Baseball Tournament since 1993, Mel was asked six years later by State Basketball Tournament Manager, Gene Rostvold if he would be the Assistant Tournament Manager. The two capped off their 20th year with the completion of the 2018 State Basketball Tournament. Mel has also assisted with the 1B, 2B, 1A State Volleyball Tournament since 1998 and has also helped out with State Dance/Drill.

The Yakima Rotary recognizes individuals each year with the **Unsung Hero Award**. They award 4 individuals each year from the community who go above and beyond; are not paid for what they do; do not seek recognition for what they do; and could be defined as quiet miracle workers. Mel Moore fits those attributes and was so recognized as an Unsung Hero for the Rotary in June of 2012. Chosen for his tireless devotion to youth sports programs in our community for over 30 years; he has been instrumental in the success of youth sports and programs in Yakima.

Mel served on the board of directors of Yakima Youth Baseball and on Labor Day Weekend in 2003 launched the Hot Shots, Yakima's initial 3-on-3 street basketball tournament drawing 217 teams. That first event was played on 20 courts spread throughout several downtown streets. Mel was the event director for Hot Shots until 2005. The event is now organized and run by the Yakima Sports Commission and drew 509 teams on 41 courts in 2017.

The Volleyball Festival was another sports concept to come to fruition under Mel's vision. It started in 2003 with 64 teams and last year there were 80.

He was instrumental in bringing the American Legion

World Series to Yakima in 2001 and bringing state high school baseball, basketball and volleyball championship events to Yakima. For these efforts he was inducted into the WIAA Hall of Fame in 2013 with their **Contributor Award**. Mel received the **Curt and Chee Chee Brusklund Service Award** (2010), an award that is presented to individuals who exemplify service to the WIAA, either to the State Association or to WIAA member schools.

Mel knows just as much about the visiting teams as the home team making him the source to go to at the Yakima Monday Quarterback meetings.

Mel and wife, Vicki, have lived in Yakima for 42 years. They have three children – Dale, Brenda, and Daryl – and four grandchildren – Caleb, Ally, Benton and Clara.

He is responsible for Campbell Global's outreach and acquisition activities, including gathering market intelligence, negotiating with sellers and buyers, overseeing acquisition due diligence, and controlling transactional activities. Mr. Renecker is also a member of Campbell Global's Investment, Allocation, Price Forecasting, and Investment Committees.

These relationships are key in enabling Campbell Global to be an active participant in the market.

Growing up in Wapato, Stan would graduate from Eisenhower High School. Attending YVC his association with Bill Faller flourished while a member of the baseball team. Parker Youth and Sports Foundation benefitted from Bill and Stan's friendship. In 2004, Stan challenged the Foundation to create the Faller Brayton Endowment with an initial donation of \$25,000.00 if the Foundation would match the amount. The Endowment at one time surpassed the \$500,000.00 marked. The community, especially youth programs, has benefitted financially receiving over \$100,000.00 in grants.

Stan has participated in the High Hopes Tournament 10 times and was recognized as the Foundation's Parker Partner in 2009.

He is a member of Oregon Society of CPAs (inactive), American Institute of CPAs, Oregon State Bar (inactive), and American Bar Association.

Historical Section

-- By Jerry Ward

Yakima Valley Junior College, 1928-1949, 200 Block of N. 4th Avenue.

With the beginning of fall classes in 2018, YVC will celebrate 90 years of service to the Valley. One of the five objectives of the Foundation's mission is athletic scholarship support at the college and, of course, the relationship between PY&SF and YVC are historically

"joined at the hip". The relationship dates back to 1937 when Parker Field was constructed (now Parker Faller Field), and the land where the college is located today was gifted by Shirley Parker and his mother Rose Larson. Parker Youth and Sports Foundation sends its congratulations to the current students and staff of YVC on the 90th Anniversary.

The PY&SF historical committee has a display in the A. E. Larson Building lobby that acknowledges the YVC 90th Anniversary, but also includes the two new Parker Faller Field plaques that will be mounted at the new entrance to the field once the field improvement projects near completion.

As part of the 90th year celebration, the High Hopes newsletter will begin a series of stories about Yakima Valley College.
