Parker Youth & Sports Foundation Funds Greenway Fitness Stations

Kellie Connaughton, second from left, accepted a ceremonial check from Parker representatives, left to right, Darlene Olmstead, Dan Williams and Nancy Leahy.

The Parker Youth & Sports Foundation has presented a check for \$12,000 to the Yakima Greenway to assist in the development of a new Greenway exercise trail.

"The goal of the Greenway in the coming year is to replace aging infrastructure and continue to provide the Yakima Community with free and con-

venient opportunities to participate in health and wellness activities, through replacement of 20 fitness stations throughout Sarg Hubbard Park," said Kellie Connaughton, the Greenway's executive director.

The target audience will be residents of North and Southeast Yakima plus Terrace Heights. It is hoped that the fitness stations also will benefit personnel from the Yakima Training

Center and local law enforcement, schools and youth groups.

The 20-station "fit trail" is designed to replace the nearly 28-year-old exercise system on a walking path throughout Sarg Hubbard Park. Individual stations will have signage and a demonstration illustration for exercises such as calf stretches,

knee lifts, sit-ups, a quadriceps climb, and pull-ups. There also will be signage for periodic heart-beat checks.

The overall trail is expected to be between one and two miles long. Parker Youth & Sports will fund the majority of the cost of purchase and shipping of the fitness stations, with the Greenway covering site preparation.

"This project is a community-build volunteer endeavor," observed Connaughton, referring to installation of the stations. "Many organizations and agencies have expressed their commitment to get involved."

Plans include ordering the new fitness stations by the end of this year, with site preparation and installation of the stations slated for spring of 2021. Rich Kayla and Pat Leahy, Parker Youth & Sports Foundation board members, initiated and co-chair the planning of this Greenway project.

"We are excited to participate in this groundbreaking project to benefit our Yakima community," said Leahy. "It is a perfect fit for our 15-year tradition of supporting parks, sports facilities and athletic programs in our Valley."

Celebrating A Proud History of 15 Years of Parke

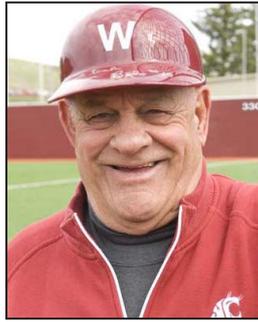

Since 2006, 33 individuals have been honored by Parker Youth & Sports Foundation as outstanding athletes and leaders in the sports and athletic traditions of the Yakima Valley. For these 15 years, our board of directors has selected annual honorees, hosted a Legends Banquet (except during this year's pandemic), and provided athletic activities to celebrate the contributions of those being honored. We are extremely proud to provide a full listing of all honorees in this edition of the *High Hopes News*. These individuals have received local, state, national and for some, international recognition in their sport as a player, coach or administrator of athletic programs. Chair's Message

What a year this has been! Although there have been many changes to adjust to, including a severely limited sports schedule in the greater Yakima

Dan Williams

Valley, Parker Youth & Sports Foundation has continued to support youth athletics, raise money, and distribute financial resources to athletic groups.

Athlete organizations who need assistance in serving youth athletics in the Valley are encouraged to submit a grant application this coming year. We continue to serve our mission of supporting quality parks and facilities and youth involvement in quality athletics and fitness activities.

Volleyball Coach Kay Aberle and volleyball player Sarah Silvernail were named the 2020 Sport Legends of the year for Parker Youth & Sports Foundation. Challenged by restraints of the COVID-19 virus, we had to postpone the event until 2021. Our organization's respect and adulation for the accomplishments of these lady athletes will be recognized on February 26, 2021.

Parker Youth & Sports Foundation is looking ahead to the New Year with enthusiasm. We were proud to present a \$12,000 check to the Yakima Greenway for their new fitness trail equipment (see story, page 1). This project should provide a healthy outlet for exercise for all ages of members of our community. Thank you, board members, Rich Kayla and Pat Leahy, for effectively chairing this project. We thank all Parker Partners who contributed to the Foundation this past year, allowing this community grant to be awarded!

We invite all Parker Partners to tune in and contribute to the first Parker Youth & Sports livestream Foundation event, "Sports Galore!," planned for 6 to 7 p.m., Friday, February 26. An interesting program is being planned – along with a surprise or two – to brighten your evening. To contribute and for more information, please phone our office at (509) 469-9336, or visit the website at www.parkeryouthfoundation.com.

In closing, I'd like to wish you all a very Happy Holiday Season and a New Year that returns to a full schedule of Valley sports!

Sincerely,

Daniel Williams, Board Chair
