# ROOSEVELT ELEMENTARY GRANT **BRINGS PLAYGROUND FITNESS, FUN & COOPERATION**

n September of 2022, Parker Youth & Sports presented Roosevelt Elementary with a \$5,000 grant to help fund a new physical education program and all-school training by Playworks Inc. The goals of the program are to improve fitness, increase cooperation on the playground and bring

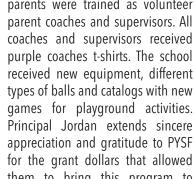

fun to recess. Likely because of the isolation experienced by students during the Covid-19 quarantine, students were staying alone on the playground and cooperative behavior was challenged. The program was initiated to re-invigorate students to play games and make cooperative decisions.

Principal Cheryl Jordan stated the Playworks Playground program has been a solid success and she

sent photographs and samples of how the program operates. They had a week long training of staff, students and volunteering parents in the fall. Students were selected from individual classrooms to be the student coaches. Teachers and parents were trained as volunteer them to bring this program to Roosevelt.

We are very grateful to Steve be able to deliver box loads of sports equipment to the youth camp! The gift was presented to the PIPPINS coach Kyle Krustangel by Jerry Ward – Parker Youth historian – at the May 8 Yakima Monday Morning Quarterbacks meeting. TIME TO PLAY BALL!

#### A LEGENDS BANQUET MEMORY FROM JON MULVENON THE PLAYER THE PARENT THE FAN THE PRESIDENT

#### **GREAT YEAR**

Jon Mulvenon knows that 2019 was a great year for the High Hopes Legends Night and Golf Tournament. Jon views the events with many sets of eyes since he was a player of sports, the parent, coach, fan and a past-president of Parker Youth & Sports Foundation. Jon's notes of that night preserve the memory of an exciting and inspiring night for youth sports. His memories are a reminder that the values of youth sports extend beyond the ball fields, filling our adult lives with the purpose of growing the next generation with goals of, teamwork, equity, leadership, hard work, and honesty. Jon - we thank you for recording these memories!

#### PARKER PARTNER!

"Parker Youth & Sports Foundation has been a very rewarding time in my life. Volunteering and coaching youth in sports has been a passion for me beginning in 1964. In 2019, I was humbled being selected Partner of the Year. I was humbled because being involved allowed me to meet and work with some great people. Daryl and Sherrie Parker, Dick Smith, Phil Hinrichs, Stan Renecker and of course Coach Bill Faller. Virginia Hays was another person who helped me with the operation of PYSF. I could not have done as much as I did for Parker if not for my very loyal wife, Linda Mulvenon. So many others have been involved. I was very proud to accept the Parker Partner of the year Award."

## **LEGENDS DINNER**

"The 2019 Sport Legend Dinner will always be a special memory for me. Every year many Parker Partners work months to have a good High Hopes dinner and golf program to raise funds for the Faller-Brayton Endowment. The endowment is how we get the funds to support youth activities in Yakima County. Bob Romero was the MC of the Legends Dinner and did a great job. Special guests were introduced - Sherrie Parker, Jean Stottlemyre and many past Legend recipients attended. Ray Funk, Yakima Valley College athletic director, presented PYSF's scholarships and awards to grateful YVC students."

## **LEGENDS HONORED**

One honored Legend guest followed another telling amazing sport stories with sincerity and humor. Jon recalls, "Hall of Fame track coach Phil English, who travels all over the world and is an internationally acclaimed track coach gave an inspiring and humorous talk. Recruited from Ireland, Phil was a scholarship track athlete at WSU when the team shared the gym with Coach Bobo Brayton's baseball team. Kirk Tourtillotte introduced the 1976 YVC Championship Baseball Team and provided lively comments about team

members and Coach Bill Faller. Kirk announced that the 1976 team pledged \$10,000 to the Faller Brayton Endowment Fund. The PYSF tournament's honorary chairman, Phil Hinrichs, spoke of playing for Coach Faller and then Coach Brayton at WSU and brought applause when he spoke of the successful YVC teams he played on in 1976 and 1977 that went on a 19-1 record run.

#### YOUTH SPORT GRANTS

"Jerry Ward brought the program home by presenting a \$4,000 check to Yakima Grid Kids and presented the \$10,000 Daryl Parker award check to the mayor of Mabton toward the development of a new Mel Stottlemyre City Park."

## **LESSONS FROM THE STOTTLEMYRES**

"The final speaker and honored quest was Todd Stottlemyre - Mel's second son. Todd talked about the memories and life lessons he experienced in Yakima. He shared that during his 15 years in Major League Baseball, he only hit one home run - and he is forever thankful that his Dad and Mom happened to be at that game. Todd told of the lessons he learned from his Dad."

- "Never let circumstances in life cause you to lose site of where you are going."
- "Listen First."
- "Play the Game of Life All Out." (Todd said "My Dad did!)
- "Live a life worth talking about."

In closing, Todd said that "Mel Stottlemyre lived a life worth talking about!"
