GRANT APPLICATION & MATCHING FUNDS INFORMATION

The Parker Youth & Sports Foundation is dedicated to the support and preservation of parks, sports facilities and athletic programs in the greater Yakima area.

The Parker Youth & Sports Foundation Board of Directors are pleased to provide guidelines to enable nonprofit community groups the opportunity to apply for a grant from PY&SF. The guidelines (checklist) and our mission statement are designed to help you learn more about the Foundation, the kinds of programs and services funded, and what is needed from you in order for us to review your application.

** The Foundation has instituted an additional grant program – the ***Matching Funds Grant***. It is designed to encourage local youth sports organizations to conduct fundraisers. The grant will match an organization's fundraiser up to **\$1,000.00**. The Matching Funds Grant will be in effect until the funds are depleted.

The Foundation accepts grant applications throughout the year. Application periods are posted on the Foundation's website - www.parkeryouthfoundation.com.

We hope that the guidelines will assist you in presenting a compelling case for support from the Foundation. We want to be able to assist your organization as you contribute to the youth in the greater Yakima Valley.
